In response to the FEC RFAI please note we have amended the July 15, 2015 and October 15, 2015 quarterly reports and the January 31, 2016 Year-end report to reflect some re-designations from Primary 2016 to General 2016. In addition, the Macarthur for Congress Committee has a policy in place since inception to insure that no state candidate committees give more than \$1000.00 per calendar year to all federal candidates combined. This consists of a statement that the State committee treasurer must attest to the above as well as that the committee has sufficient permissible federal funds to make said contribution.
